

Corrigendum

Correction to “P-7.6: Systematic Study on Inkjet Printing Features of Polyimide Solution Used in Liquid Crystal Displays”

Zhao, D., Zhao, T., Zhao, Y., Chen, J., Li, J., Zhang, S. (2024), Systematic Study on Inkjet Printing Features of Polyimide Solution Used in Liquid Crystal Displays. Digest of Technical Papers SID International Symposium, 55: 1070–1071. <https://doi.org/10.1002/sdtp.17279>

The affiliations of the authors were listed incorrectly and in the wrong order in the published version:

The first affiliation “TCL China Star Optoelectronics Technology Co. Ltd.” was incorrect. This should have read: “Peking University Shenzhen Graduate School”. The second affiliation “School of Materials Science and Engineering, Peking University Shenzhen Graduate School” was incorrect. This should have read: “TCL China Star Optoelectronic Technology Co, Ltd.”.

We apologize for this error.
